

# 5A Blue Note

“Now you are the body of Christ, and each one of you is a part of it.” 1 Corinthians 12:27

Dear Parents,

February 29, 2016

We have a fairly typical week ahead of us. The students have been introduced to their upcoming Bible prophecy project. They will be given class time to work, however, they will need to spend time at home researching and preparing as well. Thank you in advance for the support and guidance you will give them as they work through this assignment.

**Both Grade 5 classes will be heading to the Susan Auch Oval this Friday afternoon for speed skating lessons. If any of you are interesting in joining us for a time of skating, we would love to have you! If you would like to come, you can either join us on the bus (leaving Calvin at noon) OR meet us at the rink (999 Sargent Avenue) at approximately 12:30 pm.** Speed skates will be available for you to use, but you can bring your own skates as well. If you plan on joining us, please be sure to send me an email letting me know. Thanks!

We have begun a new Math unit this week: Patterns and Relations. I often remind students how important it is to come talk to me when they have a question about a particular concept instead of allowing the questions to build up, creating stress and anxiety. If you are finding your child is struggling with their math homework, please be sure to let me know so I can spend time clarifying the assignment at school.

Have a blessed week!

**1 Corinthians 10 : 24** – Nobody should seek his own good but the good of others.

**Bible Memory – due Thursday, March 10**

**1 Corinthians 6:19 – 20** – Do you not know that your body is a temple of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price. Therefore honour God with your body.

**Romans 12:17 – 18** – Do not repay anyone evil for evil. Be careful to do what is right in the eyes of everybody. If it is possible, as far as it depends on you, live at peace with everyone.
