

# 5A Blue Note

“Now you are the body of Christ, and each one of you is a part of it.” 1 Corinthians 12:27

Dear Parents,

March 21, 2016

One more week to go until the students have a much deserved break! We look forward to all the fun activities planned for Spirit Week. Please take a look at the calendar to see what the special days are. You can refer to the Pink Link for more details as well.

The students have been working hard over the last few weeks to complete their Bible prophecy poster, Science project, Literature Circle books and journal entries. Thank you for all you do at home to support them in their school work. Please be sure to let me know if there is any way I can better support you!

Have a blessed week!

**A Word on Bible Memory...**

We will continue to have a week of “catch up” for Bible Memory, as some students have yet to recite the required passages.

When students come back from Spring Break, they will begin working through a new package of verses.

The theme will be: **Words Jesus Spoke.**

Thank you for all you do to help your child learn the Bible Memory verses. We will continue to discuss the meaning of each passage at school.

As we transition into term three, I want to encourage you to ask your child how the verses they are learning are transforming their heart and affecting their faith walk.
