

5A Blue Note

“Now you are the body of Christ, and each one of you is a part of it.” 1 Corinthians 12:27

Dear Parents,

March 7, 2016

This is a fairly typical week at school. The kids are working hard to complete their Science and Bible projects before the term ends. Thank you for all you have done to help support your child as they have gathered materials to complete their Science project. Students have until the end of the week to complete their Bible prophecy poster. They have been given class time to work but some will need to spend some time at home completing their illustrations.

This is our final week for Bible Memory testing for Term II. The students have the opportunity to work towards a 4 by reciting the two bonus passages at the end of the Bible Memory booklet. There are a few students who have not recited verses from previous weeks. They will have an extra week to practice and recite any verses they have missed.

Have a blessed week!

Miss Kayler
